### CLUB CHATTER

#### How this match came about

We are happy to advise that the Professional Footballers (Peterborough) Testimonial Fund has been able to arrange this very attractive fixture in aid of the Testimonial Fund, mainly through the efforts of Mr. Jack Fairbrother, Manager of Peterborough United, who was for some time a Coach in Israel.

The Hapoel Club approached Mr. Fairbrother for a game against Peterborough United and the Board of Directors, and he suggested that such a match might prove an interesting fixture to aid the funds of the Testimonial Committee.

Amongst the players in the Hapoel team are four Israeli Internationals at present playing in the Israel team. Hapoel Tel Aviv were runners-up in the First Division in the Israel Football League last season, and should prove interesting opponents.

It may be of interest to supporters of Peterborough United to know that the Testimonial Committee have arranged several matches during the past seasons, and have recently handed benefit cheques to loyal players of Peterborough United as follows:—

*Season 1961:* J. Wallis (goalkeeper), N. Rigby (captain and centre-half), Ray Smith (inside forward), J. Anderson (trainer), and B. Willis (assistant trainer).

During the last season, Jim Walker and Ron Cooper qualified for a Testimonial, and it is the Committee's intention to hand cheques to them for their good and loyal service to the club, before the end of September. Mr. Jack Blades, the Chairman of the Committee is at present on a cruise, but he hopes to arrange a small celebration dinner at which the two players will receive their cheques.

It will be of interest to all support-
