PLAYER MANAGER : A. Moore.

We are very pleased tonight to have the honour and the privilege of welcoming the players and Officials of HAPOEL (Tel-Aviv), and we anticipate that we shall have a very interesting match.

Our visitors have planned to field against us tonight a star studded team containing up to seven Internationals.

HAPOEL (Tel-Aviv) are members of the Israel Football League, 1st Division and were the Championship runners-up last season. The club's past record is also good as it won the Israeli Championship in 1957, and the Israeli Cup in 1960.

We know our supporters will realise that our visitors are strangers in a strange land and that a little encouragement and friendly appreciation will be most acceptable.

WITH THE RESERVES:

"The Young U's" as our Reserve Side have become known because of the large number of Youth Players who have appeared in the Side, have started off the Season by going straight to the top of the Peterborough League table by virtue of two victories over newly promoted works side Perkins Sports.

In the first game at our Stadium, our side was an extremely experienced one which included seven professionals. Although we had a greater majority of the play we failed to convert this into goals, winning only 3-1.

At Peterborough last Saturday, the Side was made up of three professionals and eight teenagers. A more direct type of football was played which resulted in us winning by the more convincing margin of 4-0.

Last Season many Supporters enjoyed the home Reserve Team matches. The game against Peterborough immediately springs to mind for the high standard of football played by both Sides. And who will forget the hammerings given to March Res. and what was virtually Newmarket's First Team?

In the next two weeks our Reserves are due to play four games at this Ground. On Saturday Exning are the visitors. On Thursday next Chatteris provide the opposition. Saturday, September 14th. sees a visit by Peterborough 'A' and the following Wednesday, September 18th. March Reserves come to the Stadium.

The attendance at the game against Perkins was encouraging, for over 500 were present. But we hope that the "gates" will once more rise to the thousand mark as they did towards the end of last Season. Why not come along and support this young side? The more encouragement they receive the better they play.

A SPECIALITY

JOHN HAASZ

John was born in Budapest, Hungary. He started playing in good class football at the age of 15 and upon joining the Hungarian Air Force was a regular player in the Service's side. When the Hungarian Revolution broke out in 1956 he was forced to flee the country owing to his previous participation in 'freedom fighting'. Like several of his countrymen he was banned from football for 3½ years by F.I.F.A. as that organisation did not wish to become involved politically. When the ban was lifted he joined the Midland League side Gainsborough Trinity and after playing in ten matches he had a trial for Swansea and was transferred to that club. He played for Swansea for one full season and was then transferred to Workington for a substantial fee. He had two full seasons with Workington and then transferred to Cambridge United.
